PRESIDENT MAURSTAD: Thank you, Mr. Clerk. Speaker Kristensen.

SPEAKER KRISTENSEN: Thank you, Mr. President, members of the Legislature. Before we act on the motion to adjourn, and I'll reaffirm that motion here in a moment, I just wanted to take two minutes when we're at this stage of debate and this part on the agenda to explain where we're going, to give you a little guidance. Tomorrow morning, because we took care of rules and did revisor bills, we're going to meet at 9:30 tomorrow morning. State of the State speech is at ten o'clock, so we're not going to do any substantive legislation tomorrow morning. Introduction of bills, if you can get those in that helps for referencing and so on. So we'll meet at 9:30 tomorrow morning, State of the State starts at 10:00, with a brief period of time after to let everybody clear out of the Chamber. And so we'll go back to work tomorrow morning, we will come back to LB 505. Two years ago we did not take up the prior year's senator priority bills. We've done that this year to come back. These four are the ones that we're coming back to pick up. They've all, in one form or another, been before the body and so if we can get through those that's what we're going to do, to pick up those four. Then you'll see on tomorrow's agenda General File listed. This is worksheet order. After we walk through these bills that we've done, you saw Senator Byars today, the seat belt bill is not coming back, by passing over it and so on, we'll move to General File and we're going to go through worksheet order for awhile until we get 2000 bills. At some point in time, we're going to move on to this year's bills and we'll probably move into the priority bills and committee priority bills. But if somebody says, why are we going and taking up these next bills on General File, they are the worksheet order left over from last year. When we get to there, these first few bills are just the left over priority bills that we wanted to give. That's primarily the reason we could adjourn one day earlier last year, is because those people agreed to come back and get one shot this year to do this. So, with that, I would renew the motion to adjourn.

PRESIDENT MAURSTAD: Motion is to adjourn until 9:30 tomorrow morning. Those in favor say aye. Those opposed nay. We are
